

DECLARATION OF THE CLAIM FOR OWNERSHIP OF THE HUNGARIAN STATE (September 2, 2019)

As

I have been a member of Hungarian society since my birth,

furthermore

the Hungarian state institutions has been subject to foreign occupation since 1 January 2012, leaving the Hungarian state unclaimed and inoperable,

furthermore,

due to the current inoperability of the present state makes the Hungarian state unable to serve the Hungarian society as its beneficiary,

the Hungarian society is vulnerable to the occupying powers who are systematically misleading, robbing, and exterminating the society through the occupied state institutions and this situation is simply intolerable,

furthermore,

the Representation of the Republic of Hungary, which was established on September 1, 2015, has internationally announced the occupation of the institutions of the Hungarian State and so far, no one has announced any objection or claim to the abandoned Hungarian State,

therefore

I, Béla Miklós of the Berencsi Family, hereby declare my claim for the ownership of the Hungarian State and at the same time I invite all members of the Hungarian society to become a full-fledged co-owner with the primary aim of jointly launching the state institutions to serve our self-determining society.

Exercising my rights as the first owner,

I hereby approve the administrative activities of the of the Representation of the Republic of Hungary upto the present moment and approve the continuation of this activity;

I entrust the Representation of the Republic of Hungary to publish the announcement of my claim for the ownership both inside and outside Hungary, and also to elaborate and publish the methods of receiving further claims for co-ownership, as well as the methods necessary for showing up the will of the owners;

I order that, until the restoration of the state institutions, all measures shall be carried out in accordance with the methods for effecting the will, elaborated by the Representation of the Republic of Hungary specifically for the benefit of society. The state is obliged to repair the damage and harm, it has caused to any human beings or to the society without delay.
